About Me

A passionate Front-End Developer and AI enthusiast with a strong foundation in economics and a creative flair as a Makeup Artist. I blend technical expertise with aesthetic sense to craft engaging digital experiences and visually compelling designs. With a knack for problem-solving and a deep curiosity for AI, I continuously explore innovative solutions to enhance user interactions. Whether it's coding a sleek web interface or perfecting a flawless makeup look, I bring creativity, precision, and dedication to everything I do.
